

ICCM21

The 21st International Conference on Composite Materials August 20–25, 2017 Xi'an, China

Host by China Society for Composite Materials

Invitation

Dear Colleagues,

ICCM21 which is organized by the Chinese Society for Composite Materials (CSCM) will be held from August 20 to 25, 2017, in Xi'an, China. International Conference on Composite Materials (ICCM), the most prestigious conference in the field of composite materials, is held biennially in different countries all over the world, including Jeju Island, Korea (2011), Montreal, Canada (2013) and Copenhagen, Denmark (2015).

The overall theme for the ICCM21 is “Advanced Composites: Innovation and Development” , which reflects that innovation plays a very important role in promoting the development of composite materials and economy. The conference program includes plenary lectures, oral and poster presentations, exhibitions and various social programs. Over 2,000 participants from around the world are expected to attend the conference.

We are happy to announce that ICCM21 website, www.iccm21.org, will open on August 31, 2016. Experts and scholars from the field of composite materials are welcome to submit abstracts.

Sincerely,
Shanyi Du
General Chair
